PARTIAL VOLUNTARY PUBLIC TENDER OFFER PROMOTED BY OPENJOBMETIS S.P.A. AGENZIA PER IL LAVORO (EMPLOYMENT AGENCY) CONCERNING THE SHARES OF OPENJOBMETIS S.P.A. AGENZIA PER IL LAVORO (EMPLOYMENT AGENCY)

Milan, 29 June 2023. Pursuant to and for the purposes of Article 102, paragraph 1, of the Consolidated Law on Finance and Article 37 of the Issuers' Regulation, Openjobmetis S.p.A. Employment Agency (the "**Offeror**" or the "**Issuer**" or "**OJM**" or the "**Company**") announces its decision, resolved today by the Board of Directors, to promote a partial voluntary public tender offer pursuant to articles 102 et seq. of the Consolidated Law on Finance on a maximum no. 1,500,000 shares of OJM, with no nominal value and fully paid-up (the "**Shares**"), listed on the Euronext STAR Milan Market organised and managed by Borsa Italiana S.p.A. ("**Borsa Italiana**"), equal to 11.22% of the share capital of the Issuer (the "**Offer**").

The Offer is addressed without distinction to all holders of OJM Shares and does not concern the no. 342,759 treasury shares currently held by the Issuer corresponding to 2.56% of the share capital, which are therefore excluded from the Offer.

The effectiveness of the Offer is subject to the conditions indicated below. The Offer is not conditional on the receipt of a minimum quantity of acceptances.

In the case of Acceptances of the Offer for a quantity of shares exceeding the maximum number of shares involved in the Offer itself, the shares tendered to the Offer will be allocated according to the proportional method; therefore, OJM will acquire from all shareholders participating in the Offer the same percentage (equal to the Allocation Ratio) of shares contributed by the latter to the Offer.

Pursuant to Article 102, paragraph 3, of the Consolidated Law on Finance, the Offeror will, within twenty days of this press release, send to Consob the offer document (the "**Offer Document**") intended for publication, to which reference is made for more details on the Offer.

It should be noted that, at the date of this press release, there is an agreement in place between shareholders, known to the Issuer and communicated to Consob as per Article 122 of the Consolidated Law on Finance. In particular, on 13 July 2020, Omniafin S.p.A. ("**Omniafin**") and MTI Investimenti S.r.l. ("**MTI**") terminated early, starting on the same date, the shareholders' agreement that they had entered into on 12 November 2015 and signed a new shareholders' agreement (as subsequently amended on 22 March 2021 - the "**Shareholders' Agreement**") effective for 3 years, from 14 July 2020 to 13 July 2023 which, at the natural expiry date, will be automatically renewed for an additional 3 years, unless cancelled by one of the parties at least 6 months before the natural expiry date. CATEGORIES AND QUANTITY OF THE SECURITIES SUBJECT TO THE OFFER

The Offer is addressed, without distinction and on equal terms, to all shareholders of the Issuer and concerns the purchase of up to no. 1,500,000 Shares admitted to trading on Euronext STAR Milan, representing 11.22% of the Issuer's share capital. The Offer does not concern financial instruments other than Shares.

The Shares for which the Offer is accepted must be freely transferable to the Offering Party and free of real, mandatory and personal constraints or encumbrances of any type or nature whatsoever.

At the date of publication of this press release, OJM holds 342,759 treasury shares representing 2.56% of the share capital, which are not subject to the Offer.

In the event of full acceptance of the Offer and taking into account the shares already in the portfolio of the Issuer as of today, OJM will hold 1,842,759 treasury shares, corresponding to 13.78% of the share capital of the Issuer, and therefore a number of shares less than one fifth of the share capital.

Each participant may also tender to the Offer any shares held with increased voting rights. It should be noted that acceptance of the Offer alone does not entail, in itself, the elimination of the increased vote or the prerequisites for accrual of the increased vote. Therefore, in the assumption of the return of Shares in the event of Allocation, the Participant will have the right to have Shares returned that have the same rights and/or powers (such as, for example, the pending request for registration in the special list held by OJM in order to obtain the increased vote, the pending accrual of the increased vote, as well as the increased vote) that they would have had in the event of non-acceptance of the Offer.

The shareholders Omniafin and MTI - which hold, respectively, 18.45% and 5.15% of the share capital of OJM, as well as 25.96% and 7.21% of the voting rights, have declared their intention not to accept the Offer.

UNITARY CONSIDERATION OFFERED AND TOTAL VALUE OF THE OJM OFFER

The Offeror will pay to each participant in the Offer consideration, which will be paid in full in cash, of Euro 9.00 for each Share tendered to the Offer and is effectively withdrawn on the outcome of the same (the **Consideration**”).

The Consideration is net of stamp duty, registration tax and tax on Italian financial transactions, where due, and of the fees, commissions and expenses that will be borne by the Offeror. On the contrary, any income tax, withholding tax or substitute tax, where due, on the capital gain realised, will be borne by the participants in the Offer.

In the case of full Acceptance of the Offer, the Maximum Outlay will be equal to Euro 13,500,000.

The Consideration incorporates a premium of 0.59% with respect to the official price of the OJM ordinary shares recorded on 29 June 2023 (the “Reference Date”, i.e. the last stock market trading day prior to the date of announcement to the market of the transaction through the publication of this Press Release - the “**Announcement Date**”), as well as a premium/(discount) of (0.89)%, (6.92%), (3.38%), 2.05% with respect to the weighted average of the official prices of the Issuer's shares respectively in the 1-month, 3-month, 6-month and 12-month periods prior to 29 June 2023, as better illustrated in the table below.

Source: Based on Borsa Italiana data

The total value for 1,500,000 Shares subject to the Offer amount to Euro 13,500,000.

The payment of the Consideration in favour of the parties that will accept the Offer, against the simultaneous transfer of ownership of the Shares tendered in favour of the Offeror, will take place on the fifth stock market trading day following the closing date of the acceptance period agreed with Borsa Italiana, without prejudice to any extensions or amendments to the Offer that may occur in compliance with current legal or regulatory provisions.

In evaluating the terms and conditions of the Offer, the Company has taken into account the circumstance that, based on the available information, current market trends, and expectations regarding the results of the current six-month period, it is reasonable to expect a recovery of the performance in the second half of the year respect to the first half of the year and, overall, a performance for the whole of 2023 substantially in line with the previous year.

It is expected that the Offer will begin, subject to the approval of the Offer Document pursuant to Article 102 of Consolidated Law on Finance, subsequential to the publication of the Interim Financial report as at 30 June 2023 scheduled for 4 August 2023.

REASONS FOR THE OFFER

By promoting the Offer, the Issuer intends to:

1. offer the Shareholders, on an equal basis, an additional tool for monetising their investment at a price that incorporates a premium with respect to the price prior to the launch of the Offer, as well as at the average of the previous months; in addition, for Shareholders who do not intend to contribute their Shares, the purchase of Treasury Shares by the Company following acceptance of the Offer would result in an increase in the *earnings per share* and the *dividend per share*, in consideration of the proportional allocation of the right to the profits due to the Treasury Shares to the other Shares, pursuant to Article 2357-ter, second paragraph, of the Italian Civil Code; and
2. provide the Company with a portfolio of treasury shares that it can dispose of in the context of its renewed intention to explore possible growth solutions consistent with its mission.

Without prejudice to the above, the Board of Directors reserves the right, in line with the evolution of its strategic objectives, to evaluate the possibility of cancelling all or part of the Treasury Shares that may be purchased with the Offer, in execution of the mandate granted by the Extraordinary Shareholders' Meeting on 21 April 2023.

The Offer is not intended to, nor may it, result in the *delisting* of the ordinary shares of the Issuer from the Euronext STAR Milan.

INTENTION TO DELIST THE FINANCIAL INSTRUMENTS SUBJECT TO THE OFFER.

PURCHASE OBLIGATION PURSUANT TO ARTICLE 108, PARAGRAPH 2 OF THE CONSOLIDATED LAW ON FINANCE

The Offer consists of a partial voluntary public tender offer promoted pursuant to articles 102 et seq. of the Consolidated Law on Finance by the Company and is not aimed at, nor may it lead to, the Offeror exceeding the

threshold of 90% of the capital of the Issuer or the delisting of the Shares from Euronext STAR Milan (*delisting*). In the event of full acceptance of the Offer and taking account of the shares already in the Issuer's portfolio at the date of this Offer Document, OJM will actually end up holding a total of 1,842,759 ordinary treasury shares, corresponding to 13.78% of the Issuer's share capital.

Therefore, in consideration of the nature of the Offer, the prerequisites for the purchase obligation pursuant to Article 108, paragraph 2, of the Consolidated Law on Finance are not met.

RIGHT TO PURCHASE REFERRED TO IN ARTICLE 111 OF THE CONSOLIDATED LAW ON FINANCE AND PURCHASE OBLIGATION PURSUANT TO ARTICLE 108, PARAGRAPH 1 OF THE CONSOLIDATED LAW ON FINANCE

The Offer consists of a partial voluntary public tender offer promoted in accordance with articles 102 et seq. of the TUF and is not intended to, nor may it result in the delisting of the ordinary shares of the Issuer from the Euronext STAR Milan(*delisting*).

Therefore, in consideration of the nature of the Offer, there are no prerequisites for the right to purchase pursuant to Article 111 of the TUF, nor for the obligation to purchase pursuant to Article 108, paragraph 1, of the TUF.

NON-APPLICABILITY OF THE TOTAL PUBLIC TENDER OFFER PURSUANT TO ARTICLE 106, PARAGRAPHS 1 AND 3, LETTER B), OF THE TUF AND ARTICLE 46 OF THE Issuers' Regulation

As at the Offer Document Date, the shareholders Omniafin S.p.A. and MTI Investimenti S.r.l. own the following equity investments in OJM:

Shareholder	no. Shares	% share capital	No. of voting rights	% of voting rights
Omniafin S.p.A.	2,466,789	18.45%	4,909,405	25.96%
MTI Investimenti S.r.l.	688,397	5.15%	1,364,294	7.21%
Total	3,155,186	23.60%	6,273,699	33.17%

As a result of the Offer, both Omniafin individually, together with persons who should act in concert with Omniafin, and Omniafin and MTI jointly as parties acting in concert pursuant to the combined provisions of Article 109, paragraph 1, and Article 101-bis, paragraph 4-bis of the Consolidated Law on Finance (as parties to the Shareholders' Agreement) and together with persons who should act in concert with Omniafin, may be subject to the obligation to promote, respectively, a full public tender offer pursuant to Article 106, paragraph 1, of the Consolidated Law on Finance as a result of exceeding the threshold of 30% of voting rights, or a public tender offer from consolidation pursuant to Article 106, paragraph 3, lett. B) of the TUF (Consolidated Law on Finance) and Article 46 of the Issuers' Regulation.

In this regard, Omniafin and MTI have communicated their commitment, retroactively and if necessary, to waive the increase in voting rights with respect to a number of Shares such as not to give rise to the obligation nor, as regards Omniafin (and any parties acting in concert), to promote a full public tender offer pursuant to Article 106, paragraph 1, of the Consolidated Law on Finance, nor, with reference to both (and any parties acting in concert), to promote a public tender offer from consolidation pursuant to Article 106, paragraph 3, lett. b) and 109 of the

Consolidated Law on Finance and Article 46 of the Issuers' Regulation. The waiver of the increased voting right to avoid the occurrence of the obligation will be carried out by Omniafin and by MTI in proportion to the Shares held by each.

METHOD OF FINANCING THE OFFER

The Offeror, with a view to optimising and increasing the efficiency of the financial structure, intends to cover the financial coverage of the Maximum Disbursement of the Offer, equal to a maximum of Euro 13,500,000, through the resources deriving from the medium/long-term loan for a total of Euro 35 million, divided into an *amortising* credit line of up to Euro 30 million and a *revolving* credit line of up to Euro 5 million stipulated on 28 June 2023, between the Offeror and Banco BPM S.p.A. The Offeror may waive, or modify the terms, at any time and at its sole discretion, in whole or in part, the Conditions of the Offer.
